Chinati Vergano

A family of drink lovers, crafting flavours and aromas from healthy fruits in a tiny lab in Asti, Piedmont

An *Americano* is a traditional apéritif from Piedmont. A play on the French amère.

Vermouth was first produced in 1786, its name coming from the main ingredient wormwood, or wermut as the Germans would say.

Empirical

A flavour company based in Copenhagen. Taking a flavor-first approach they source great ingredients and turn them into delicious experiences.

Ayuuk, Earthy, dark red fruit, smoky. Made from Pasilla Mixe Chilli sourced in Oaxaca, Mexico and macerated in a spirit made from Danish heritage purple wheat and pilsner malt. Rested in a sherry Oloroso cask.

The Plum, I Suppose, Marzipan, Floral, Bright. The kernel inside plum stones is the foundation of this spirit. Rather than tasting of stone fruit, the kernel lends a marzipan, bitter almond flavor.
